

Rik Tinory Comes Up With Another Hit Record

Is he at it again? The answer is yes. Rik Tinory of Cohasset, the man who recently revived Scollay Square's fame with the "Remember Ol' Scollay Square," hit record (over 100,000 copies sold) is at it again. This time it's a heart-warming love song with a bouncy beat, entitled "Martha's Vineyard."

Tinory has been flying back and forth to Toronto, Canada,

to Eastern Sound Studio, the same sound shop that records Ann Murray, Elton John, Gordon Lightfoot and many others. Tinory announced that he has been working on, "Martha's Vineyard" in secret for more than eight months. The result is a beautiful rendition of a song surely to be a classic. Advance orders for the recording have come from as far as England and Australia.

Martha's Vineyard, a well-known New England paradise, is home for celebrities Jimmy Cagney, Ruth Gordon, John Hershey, Carly Simon, James Taylor and most recently Jackie Kennedy Onassis with her purchase of a valuable track of land on Gay Head beach.

The recording available through Old Boston Records of Cohasset, is to be released this week.

At The Library

By Richard Hayes

New summer hours are now in effect at the Cohasset Library. The library will be open Monday from 9 to 9, and Tuesday through Saturday from 9-6; it's closed Sunday.

The library requests donations of current magazines. Due to rising costs, the library must reduce purchases. With donations, the library hopes to continue a complete file of useful magazines. Those the library cannot use will be recycled on the "free magazine" table.

Did you know that:

—in a six-week period the library added 140 new nonfiction and 120 new fiction books for adults?

—all new books are kept in the New Book Room for about one year, then are shelved in the "stacks"?

—all new books are listed in a notebook kept on the window sill by the new fiction shelves?

—the card catalog shows which books are in the New Book Room? (All others are in the "stacks.")

—a title card is filed in the card catalog as soon as a book is ordered?

Books recently received include:

Around Town

Milton Academy girls' school graduated the following Cohasset residents: Kathleen Crowley, Elizabeth Evans, Elisabeth Sheehy, Susan White and Heidi Wurzel.

We had an interesting chat recently with Fran Burnham, who breeds Cavalier King Charles Spaniels at her Atlantic Avenue home. Fran and her husband David, who was president of this rare breed's club for four years, will participate in the confirmation competition at Derby Academy next Saturday, June 23. Two other Cohasset families own Fran's dogs, one was the winner of the best tri-color in Southern U.S. and the best second generation American bred dog. During the South-

ern dog show, Fran was interviewed on CBS-TV six o'clock news.
